**COMMUNITY GRANT SUPPORT
DONATION FORM**

I wish to offer my financial support to the Nevada College Kick Start Program, which provides Nevada kindergarten children with a \$50 college savings account. I understand that these college savings accounts will be held under a master account in the SSgA Upromise 529 Plan managed by Upromise Investments, Inc. controlled by the Board of Trustees of the College Savings Plans of Nevada, thus ensuring those funds will not be used for any other purpose other than to meet qualified high education expenses of an eligible student. Community Support Grant funding can be applied two ways: (1) to increase the \$50 individual accounts established through the Nevada College Kick Start Program for kindergarten classes in your selected area, or (2) to sponsor an individual school(s) by providing sufficient funding to create Nevada College Kick Start Program for all enrolled 2013-14 kindergarten students at that school(s).

I have read, signed, and I am returning the Nevada College Kick Start Sponsor Memorandum of Understanding.
